THE ROWANS SAFEGUARDING TEAM AND CHAMPION AREAS

Rowans Primary

Safeguarding Leads

Designated Safeguarding Lead is a fancy title for the person who is in charge of managing any safeguarding concerns.

Remember at The Rowans and primary SEN you can speak to any member of staff if you have a concern.

Safeguarding is everyones responsibility

If you have a concern – report it immediately. We are all responsible for safeguarding.

What is Safeguarding?

All of the adults care about the health and wellbeing of all pupils and work to support their rights to be safe and supported, have an education and be successful. This means we are all committed to safeguarding you.

We will always listen if a pupil shares a problem and will then speak to the DSL team to find the best next steps

To keep pupils safe we also work with...

We can't keep pupils safe without working with others. This includes asking parents/carers to help and support pupils as well as other agencies such as social services, CAMHS, the police and charities who provide advice and support. We do this to ensure all pupils have every opportunity to be safe and happy.

We only do this when we think it is in a pupil's best interests.

Want to know more?

Our safeguarding ethos and policy is all about the pupils, so please ask if you want to know more. You can always read the full safeguarding policy on our website www.therowans-that.org.uk/
