The Rowans AP Academy

4th December 2024

Dear Parents and Carers

I am writing to share some exciting news about the future of The Rowans Alternative Provision.

As of 1st February 2025, The Rowans AP will officially join The Howard Academy Trust. This marks a significant step forward for our provision, and we are confident it will bring many benefits to our community.

Please rest assured that this transition will not affect the day-to-day running of the school. Our commitment to providing a high standard of education and support remains unchanged, and we will continue to work closely with you to ensure the best outcomes for our pupils. Mrs May will remain as Headteacher and all staff remain in their current roles.

Joining The Howard Academy Trust will allow us to collaborate with a wider network of schools, share expertise both ways, and access additional resources. This partnership will strengthen our ability to provide innovative and tailored support for every pupil while maintaining the values and approaches that make The Rowans AP unique.

We understand that you may have questions, and we are happy to discuss this change further. Please don't hesitate to contact me if you have any concerns.

Thank you for your continued support. We are excited about this new chapter and look forward to building on our success as part of The Howard Academy Trust.

Yours sincerely
