About SPACE

SPACE works to raise awareness of 'County Lines' to keep all children and young people safe from serious criminal and violent harm.

Are you worried that your child might be getting drawn into criminal activity or involved with drugs or gangs, or just want to find out more about 'County Lines'?

Salus have asked SPACE to provide an awareness raising session for parents.

This will help parents to:

- Understand the risks for young people,
- Identify the signs,
- Learn what to do to help and overcome barriers to support.

This is a FREE session. Please book using the following link: [BOOK NOW](#), or search on www.eventbrite.co.uk for 'Salus Parent'.

If you have any questions, please email info@salusgroup.org.uk or phone 01303 817470.
