Dear Parents/Carers

As you have been made aware, tomorrow is the final mock GCSE exam for our Year 11 and Year 10 pupils. It is really important that we are able to replicate the exam conditions for them. As KS3 pupils struggled to manage changes to normal lessons and routines on Monday, it has been decided, in conversations with yourselves that they will work from home for the day. All pupils will have a call, from a member of staff to check on their welfare and support them with any queries regarding the work set.

Below are the links to the work pupils are expected to complete, there are 4 separate subjects, each subject should take between 45 minutes and one hour. All work builds on classroom learning and will support progress and outcomes.

**English:** Using multimodal language e.g. text and emojis

**Maths:** game – Divided Island, which supports pupils to practice the use of fractions and percentages, in a fun way

**Science:** Videos and tasks – Will robots ever take over the World?

**Geography:** Game about preparing for an Earthquake

If you have any queries, please do not hesitate to contact the school on 01634 338803 and thank you for your ongoing support.

Kind regards
