# ROWANS PRIMARY - PIONEER - SCIENCE

# TERM 3 - ELECTRICITY

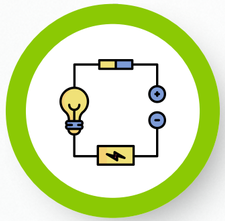

**LESSON 1**

**Learning Intention:**

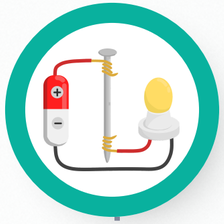

I know what electricity is and how we use it.

**LESSON 2**

**Learning Intention:**

I know how to build a simple electrical circuit.

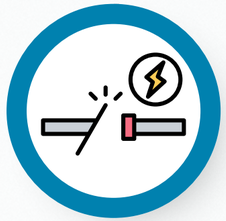

**LESSON 3**

**Learning Intention:**

I know that some materials are conductors and some are insulators.

**LESSON 4**

**Learning Intention:**

I can investigate conductors and insulators.

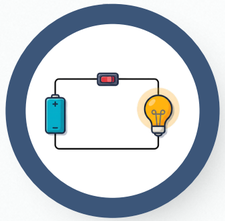

**LESSON 5**

**Learning Intention:**

I know how a switch controls a circuit.

**LESSON 6**

**Learning Intention:**

I can use my knowledge of electricity to solve a challenge.
