ROWANS PRIMARY - PIONEER - SCIENCE

TERM 5 - SOUND

LESSON 1

Learning Intention:

I know that sounds come from different sources.

LESSON 2

Learning Intention:

I know that sounds are made by vibrations.

LESSON 3

Learning Intention:

I know that sound travels through different materials.

LESSON 4

Learning Intention:

I know that stronger vibrations make louder sounds.

LESSON 5

Learning Intention:

I know that pitch changes depending on the object making the sound.

LESSON 6

Learning Intention:

I can explain how sounds are made, travel and change.
