ROWANS PRIMARY - EXPLORE - ART

TERM 4 - ANIMAL PATTERNS AND TEXTURES

LESSON 1

Learning Intention:

To identify and describe patterns and textures found on animals.

LESSON 2

Learning Intention:

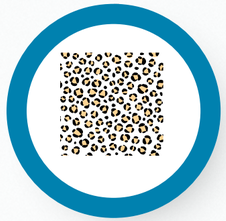

To observe and draw animal markings using line, shape and repeated pattern.

LESSON 3

Learning Intention:

To explore and compare techniques for making textures through rubbing, printing and mark-making

LESSON 4

Learning Intention:

To investigate how artists represent animals, patterns and textures.

LESSON 5

Learning Intention:

To design and create a mixed-media animal artwork using selected techniques.

LESSON 6

Learning Intention:

To refine, present and evaluate artwork using appropriate artistic vocabulary.
