ROWANS PRIMARY - EXPLORE - ART
TERM 6 - SCULPTURE AND MIXED MEDIA

LESSON 1

Learning Intention:

To recognise sculpture as three-dimensional art and explore natural forms.

LESSON 2

Learning Intention:

To investigate modelling, shaping and joining materials to create three-dimensional forms.

LESSON 3

Learning Intention:

To study sculptors who respond to nature and develop personal design ideas.

LESSON 4

Learning Intention:

To plan a sculpture inspired by a natural environment, selecting suitable techniques and materials.

LESSON 5

Learning Intention:

To construct, combine and refine a mixed-media nature sculpture.

LESSON 6

Learning Intention:

To finish, exhibit and evaluate sculpture using artistic vocabulary.
